

**STUDENT CLASS PLACEMENTS FOR 2026
INFORMATION TO SUPPORT CLASS PLACEMENT**

Not all families were able to attend the recent Family/Teacher meetings. We are providing this optional form for families to provide information regarding class placements for 2026. Teacher class placements have not been decided for 2026, therefore selecting a particular teacher for your child would be premature.

The information provided will be considered when classes are being organised, however class structures and student class placements are the school's responsibility and changes cannot be made to placements.

Please return this form by Monday, 20th October via email to
spreyton.primary@decyp.tas.gov.au

Student Name: _____

2025 Grade: _____ 2025 Teacher: _____

Student Educational Support Needs for 2026 (including disability impairment, special learning needs and giftedness):

Medical Support Needs for 2026 (diagnosed medical conditions):

Student Social/Emotional Support Needs for 2026 (peer relationships, social/emotional development, maturity):

Family Considerations for 2026 (custody/access restrictions, merged families, separated families, twins, siblings):

Other Information relevant to 2026 Class Placement:

While I/we request that the information provided be considered when classes are being organised, I/we accept that class structures and student class placements are the school's responsibility and that changes cannot be made to placements.

Parent/Carer Name: _____ Date: _____
